- Maintain a clean, organized, and professional work environment
- Follow shop procedures, safety standards, and quality control processes
- Communicate effectively with service advisors and team members regarding vehicle status and repair progress
- Continue developing technical skills through training and hands-on experience

Experience:

- 1–3 years of automotive repair experience preferred
- Automotive knowledge and understanding of vehicle systems
- European vehicle experience is a plus
- Automotive schooling, trade school, or hands-on shop experience preferred
- Strong work ethic, positive attitude, and willingness to learn
- Valid driver's license and clean driving record
- Diagnostic and repair tool knowledge
- Desire to build a long-term career in the automotive industry

What We Offer:

- Competitive compensation based on experience and skill level
- Stable, long-standing shop with an excellent reputation

- Clean, well-equipped facility with quality tools and equipment
- Supportive, knowledgeable team and positive work culture
- Opportunities for continued training and professional growth
- Long-term career potential with a respected independent shop
